WELCOME

Namaste Dear Friends,

Welcome to the AIS/AES 2015 Reunion! It is hard to believe five years have passed since we last gathered; yet here we are, excited to see old friends and eager to meet new ones. Our common experience at AIS/AES has bound us together and influenced who we are today. Although each of us traveled our own life's paths, a small part of India has stayed with us throughout our lives. This year's reunion theme, ***India Lives in All of Us***, strives to capture the essence of the special bond we all share. Near or far, our AIS/AES Family has stayed in touch. It is time we get together again to celebrate happy memories and create new ones!

We have been planning and working on this reunion since the day the last one ended. Our reunion committee has worked hard to fulfill the promise of our association's charter to promote and facilitate the lifelong communication and camaraderie of alumni, faculty, staff, family and friends of AIS/AES. Our reunions started as a gathering of a few friends into an every-five-years occasion to celebrate lifelong friendships, reunite with old friends and make new friends. Though we may have gotten a little older- like our kinship with India - we realize our friendships and friends are ageless.

Your association Board of Directors and the many volunteers and contributors who helped to make this all possible, hope you have a wonderful reunion and that when you leave, you, too, are looking forward to when we meet again!

Mary Williamson
