

## **AIS/AES**

## **2021 REUNION**

The AIS/AES Alumni Association Board of Directors has voted unanimously to postpone the next all-classes reunion from the year 2020 to 2021.

National Elections will be held in 2020. For the Washington D.C. area and other metropolitan areas close to international airports, this means increased prices, traffic and crowds all year long, difficulty in getting hotel rooms and being able to best accommodate the needs of our reunion guests.

The Board is considering the Washington D.C. area again for the 2021 Reunion, although we are exploring alternative locations close to international airports where board members and reunion planners are close enough to work with the hotel, caterers and others. We had approximately 450 guests at the 2015 Reunion. With the growing size of our alumni population, we have an increasing challenge in finding a location that can handle our group.

If you have ideas for the next reunion or would like to volunteer for the 2021 Reunion Committee, please feel free to contact us at [mary@aisaes.org](mailto:mary@aisaes.org)
