

AIS/AES ALUMNI ASSOCIATION BOARD OF DIRECTORS Call for New Board Members

The AIS/AES Alumni Association Board of Directors is pleased to announce three Board of Director position openings. We hope to fill these positions by the end of this year in order to have a strong team in place when we begin planning the **2021 All-Classes Reunion**.

Any member of the alumni association (former student, faculty or school staff member) may submit his or her name in nomination by sending an email to Mary Williamson, President (mary@aisaes.org) by October 31st. We define “alumni” as classmates who attended the school, whether or not they graduated from the school.

Our board officers and directors work with alumni and former and current staff of the school to heighten awareness of the association and support the mission. ***The mission of the AIS/AES Alumni Association is to promote and facilitate the lifelong communication and camaraderie of alumni, faculty and staff.***

Our most important all-hands project is hosting the **All-Classes Reunions**, which is generally held every five years. We also share alumni family and school news and communicate upcoming reunions and celebrations.

India Lives in All of Us

Directors are energetic team players who enjoy planning and executing events, working on the website or across social media, and contributing to the success of the alumni association. Most of all, we are looking for enthusiasm and a willing spirit to pitch in on various projects!

We are an informal group who likes to have fun while communicating and working with people who shared the experience of India and our school. Over the years, we’ve also been able to help provide friendship and encouragement to our AIS/AES family members going through rough times. It is what friends do.

If you are interested in joining our team, please email Mary at mary@aisaes.org. Please tell us about yourself, your class year (or if you are former faculty or staff) and what skills you can “bring to the table.”

Contact Mary Williamson (mary@aisaes.org) for additional information or would like to learn more.
