The mali's in de garden at de Taj Mahal
He keepin all de flowers growin nice and tall

Oh Mali want to fox trot
Mali wallah got de cul-ture shock

Once he sees a beauty in reflectin pool
I got to use me groomin from de mali school

O Mali want to fox trot
Mali wallah got de cul-ture shock

He fallen for da dolly wit da printed frock
Oh mali want dat frock to drop

O Mali want to fox trot
Mali wallah got de cul-ture shock

He said madame come over and check out de view
Mumtaz mahal got notin' on you

O Mali want to fox trot
Mali wallah got de cul-ture shock

She watch him prune de rose he really hypnotize her
She say I only use organic fertilizers

O Mali want to fox trot
Mali wallah got de cul-ture shock

He say for you I throw away the GMOs
I only water all de flowers wit my garden hose

O Mali want to fox trot

So ever day is like diwali and de rockets rock
He got a bad case of culture shock

Oh Mali want to fox trot
